Steer Rules:

1. Steers must be born after August 1st, 2015.
2. All steers will be shown together and classes will be divided by weight.
3. There will be no weigh back requirement.
4. All calves must be halter broken and shown at halter.
5. Any calf that breaks loose from the exhibitor three times while in the show ring will be disqualified.
6. Show officials will determine show order after all steers have been processed.

Heifer Rules:

1. Registration papers on registered heifers must be on hand for check in.
2. All heifers must be born between the ages of January 1st, 2015 to May 1st, 2016 to be eligible for the show. Age classification will be divided appropriately depending on entries received.
3. A minimum of six (6) heifers are required to make a breed, otherwise the registered heifer will be in AOB.
4. The first and second placing heifer will return for the Champion and Reserve Champion of that breed.
5. All calves must be halter broken and shown at halter.
6. Any calf that breaks loose from the exhibitor three times while in the show ring will be disqualified.
7. Show officials will determine show order after all heifers have been checked in.

Additional Information:

1. Electrical outlets will be limited so be sure to bring your generator.
2. Due to limited space, there will be no tying inside.
3. Chutes will be inside.
4. Our show is two separate shows with two different judges.

Auburn University Beef Teaching Unit Rules for Visiting Animals

1. No Beef Teaching Unit cattle will be commingled with visiting livestock.
2. Visiting animals can only be housed on shavings/concrete in the Beef Teaching Unit barn and will have no access to pastures or Beef Teaching herd working facility.
3. No animals can be penned in the Meat Science Laboratory holding pens during an event. Any animal entering this area must remain for slaughter.
4. All out of state animals must have a current, valid health certificate.
5. All animals must have permanent identification. Permanent identification will include one of the following: ear tattoos, hot brands, freeze brands, horn brands, silver metal USDA ear tags, or electronic ID ear tags (RFID). All tattoos and brands must be legible.
6. All cattle must be accompanied with a Premises Identification Number. If no Premises Identification Number is provided, participants will be required to fill out a two-page Premises Registration Form at the Auburn University Beef Teaching Unit before their animals can enter the facility. There is no cost for obtaining a Premises Identification Number. Contact the State Veterinarian's office for help with obtaining a Premises Identification Number.
7. **Brucellosis**
Beef and dairy cattle must meet one of the following Brucellosis requirements to enter the Beef Teaching Unit:
 - a. Come from a Brucellosis Free State.
 - b. Come from a Certified Brucellosis Free Herd if in a non-Brucellosis Free State.
 - c. If cattle do not meet the requirements in either a or b then all sexually intact cattle over 18 months of age must be test negative within 30 days prior to arrival. Steers and spayed heifers do not need to be tested.
8. **Tuberculosis**
Beef cattle must meet one of the following Tuberculosis requirements to enter the Beef Teaching Unit:
 - a. Come from a Tuberculosis Free State.
 - b. Come from an Accredited Tuberculosis Free Herd in a non-Tuberculosis free state.
 - c. If beef cattle do not meet the requirements in either a or b then all beef cattle over 6 months of age must be test negative within 30 days prior to arrival.

9. Vaccination – cattle must have been vaccinated within the past year with a 4-way respiratory vaccine including IBR, BVDV, PI₃, and BRSV.
10. Cattle must be free of warts, ringworm, or lice.
