Alabama State Department of Education, Dr. Ed Richardson, Interim State Superintendent of Education

The Alabama State Board of Education and the Alabama State Department of Education do not discriminate on the basis of race, color, disability, sex, religion, national origin, or age in its programs, activities, or employment and provide equal access to the Boy Scouts and other designated youth groups. The following person is responsible for handling inquiries regarding the non-discrimination policies: Title IX Coordinator, Alabama State Department of Education, P.O. Box 302101, Montgomery, AL 36130-2101, telephone (334) 242-8165.

Revised September 2017

ZERO-TURN COMPACT TRACTOR DRIVING CONTEST CAREER DEVELOPMENT EVENT

PURPOSE

The FFA Zero-Turn Compact Tractor Driving Contest provides a competitive activity for Central District FFA members to demonstrate their knowledge about the care and operation of zero-turn compact tractor less than 20 horsepower. The contest also gives members a chance to improve their knowledge of lawn care and safety.

(SAFETY WILL BE STRESSED THROUGHOUT THE CONTEST)

ELIGIBILITY

For specific eligibility of participants, refer to the Contests and Awards Booklet.

Any active Central District FFA member currently enrolled in grades 7-9 is eligible. Contestants **MUST HAVE** a Release of Liability form signed by parent or guardian. If a cell phone is seen or heard in the possession of a competitor, that individual student will be disqualified from competition and receive a score of zero.

State Awards/Sponsor(s):
Alabama FFA Central District

LEVELS OF COMPETITION

The contest is conducted on the chapter, county and district levels, one county winner can compete in the district contest.

A county event is required when multiple chapters from the same county have a participant.

In the event there is only one participant from a county, at the county level, this individual will represent their respective county at the district event.

If two participants from the same county arrive at the District Event both participants will be disqualified and not allowed to compete.

GENERAL RULES

1. It is the responsibility of the County Chairman to coordinate contests that will select the representative from each county in the District.
2. Only contest officials and operating contestants are allowed in the course area.
3. If a cell phone is seen or heard in the possession of a competitor, that individual student will be disqualified from competition and receive a score of zero.

4. Competitors must enter their name on the scorecard or they will receive a score of zero. Judges will not attempt to figure out who the card belongs to.
5. An orientation meeting for all contestants will be held prior to the contest. The meeting will include:
 - a. Introduction of judges and assistants.
 - b. Collecting Release of Liability Forms from contestants. (Form must be signed by parent or guardian and be with contestant at beginning of contest.)
 - c. Drawing lots to determine the order in which the contestants will participate.
 - d. Handing out forms to contestants and having them put their name and contestant number on the forms.
 - e. Explaining and walking through the driving course.
 - f. Explaining time and phases of the contest.
6. Scoring will be a weighted “fault points” system. Low score wins. Perfect score is zero.
7. Official Dress is NOT required for this event.
8. Failure to attempt all portions of the contest will result in disqualification.

TIE BREAKER

1. The first tie breaker for the contest will be the amount of time it takes a driver to complete Part III.
2. A second tie breaker, if necessary, will be the nearest measurement to the perfect clearance on the shed measurements.
3. The participant with the fewest fault points on the driving portion of the contest.

PHASES OF CONTEST

Designated judges will preside over the event and their decisions will be final. Contestants must abide by the rules and requirements. Any judge may disqualify a contestant because of unsafe practices or for acts unbecoming to an FFA member.

The contest will include:

Part I	Written examination (20 minutes).
Part II	Identification (15 minutes).
Part II	Zero-Turn Compact Tractor safety and operation. (Timed event.)

A contestant will accumulate penalty points which are found by adding the points missed in each part of the contest.

Part I - Written Examination

The written exam will consist of twenty (20) questions. The exam is made up of questions about tractor operation, maintenance and safety. There will also be questions about turf and lawn management. The subject matter included in the exam comes from the publications listed as references in this booklet. Four (4) penalty points will be given for each wrong answer.

Part II - Identification

Ten (10) numbered items will be identified by each contestant. The items will include Zero-Turn Compact Tractor parts and lawn care equipment. Items to identify may be: (1) numbered on the Zero-Turn Compact Tractor or piece of equipment, (2) actual items, and/or (3) pictures of the items. Each item missed will be a penalty of 4 points. (See Parts List in this Document)

Part III – Safety and Operation

The Zero-Turn Compact Tractor Driving portion of the contest gives FFA members an opportunity to demonstrate their skills in the operation Zero-Turn Compact Tractors. Safe work habits and safe equipment operation are stressed throughout the event. Penalty points will be added for errors in safety and for poor operation of the machine. There is a time limit of 8 minutes to complete the course. Sample score sheets are provided in this booklet.

Safety glasses/goggles and ear protection will be provided for this event.

Each participant will be given a few minutes to study and to get acquainted with the machine and its controls. The tractor may be operated in the immediate area of the contest but not through the course. A Zero-Turn Compact Tractor will be provided at the contest.

The contest diagram on page 6 will help you prepare for the driving portion of the contest. Safety is scored throughout the driving part. A few steps to remember are listed below:

1. Approach the Zero-Turn Compact Tractor with a judge and introduce yourself. The first item on the score sheet is a pre-start check. You'll complete this according to the contest instructions before the contest begins. You will tell the judge what you are inspecting as you inspect it. You will then mount the mower and let the judge know you're ready to begin driving.
2. **SAFETY CHECK**
When the contestant is ready to start Part III of the contest, the contestant must conduct a safety check of the tractor which includes: Before starting the engine, the contestant must check the following and don proper PPEs:
 - a. Tires: Touching or kicking with the foot will suffice. All four tires should be checked.
 - b. Fluid Levels: The fuel check will be a visual check of the fuel gauge (if applicable) or visually on the side of the tank and verbal acknowledgement to the judge, the hydraulic check will be a visual check and verbal acknowledgment to the judge, the engine oil will be a visual inspection and verbal acknowledgement to the judge.
 - c. Brakes: The brakes will be checked by setting the brake in the locked position
 - d. Throttle: The throttle must be set to the starting position (NOT WIDE OPEN).
 - e. Complete the safety check by looking for loose or missing parts.
 - f. Seat Belt: The seat belt (if applicable) must be fastened before starting the engine.
3. Using what you have learned from your review of the course diagram and the contest leader's instructions, enter the course. Remember to be safe. One of the judges will put an obstacle in front of the machine to test your alertness and reaction to unsafe conditions. This will be done at random points in the course and will be done only one time for each participant.

4. Continue through the course to the finish point which represents a shed for the machine. You'll back the machine into this location, turn it off, and dismount. The judge may ask you to move the Zero-Turn Compact Tractor back to the starting line for the next participant.

ZERO-TURN COMPACT TRACTOR DRIVING CONTEST
SAFETY AND OPERATION SCORE SHEET

Contestant's Name _____ Chapter _____

Safety Procedure: Each participant will be scored on safety throughout the Zero-Turn Compact Tractor operation portion of the event. At some point in the course, a judge will put an obstacle in front of the machine being operated by the contestant. The contestant is expected to stop immediately, remove the obstacle from the course, and hand it to the judge.			
Part III: Safety & Operation Score Sheet INFRACTION	NO. OF INFRACTIONS OR INCHES	POINTS LOST FOR EACH INFRACTION OR INCH	TOTAL PENALTY POINTS
Prestart Check			
Failure to check fuel level		25	
Failure to check oil level		25	
Failure to observe hydraulic oil level		25	
Failure to observe tire inflation		25	
Failure to observe loose or missing parts		25	
Failure to don PPE (glasses/goggles and hearing protection)		50	
Starting Safety			
Excessive ignition or ignition starter grinding		25	
Failure to disengage motion control levers while starting		25	
Failure to disengage parking brake		50	
Failure to properly adjust throttle		25	
Failure to fasten safety belt (if applicable)		50	
Mounting and Dismounting Safely			
Failure to set brakes before dismounting		50	
Failure to bring tractor to a complete stop before dismounting		50	
Failure to disengage motion control levers while starting		25	
Driving Safety			
Failure to engage motion control levers gently		25	
Failure to ride on seat		100	
Skidding or spinning tractor wheels intentionally or because of excess speed		100	

Part III: Safety & Operation Score Sheet INFRACTION (Continued)	NO. OF INFRACTIONS OR INCHES	POINTS LOST FOR EACH INFRACTION OR INCH	TOTAL PENALTY POINTS
Driving Scoring			
Stops or interruption in the continuous movement of the machine where not required by the course		10	
Reverse change of direction other than what is necessary		10	
Any part of the machine extends over the boundaries of the course		10	
Markers are hit		20	
Failure to follow instructions		5	
Markers are passed when operating outside the distance allowed around the curb (the contest leader will indicate what this distance is)		10	
Obstacle Removal			
Inches traveled before stopping (Inches)		5	
Failure to set brakes		50	
Failure to disengage		50	
Measurements			
Inches from the back line of the shed after parking (over 1 inch)		2	
Inches over 1 inch that the tractor is off center in the shed		2	
Exceeded 8 minutes		100	
Other Safety Content			
Excessive Tractor Speed		100	
Skidding or Spinning Tractor Wheels		100	

**TOTAL SAFETY PENALTY POINTS
(Total from Both Sheets)**

**Part II -- Identification
Score Sheet**

Name _____ **Chapter** _____

Directions: Write the name of the item beside the correct number.

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____

Scoring: Mark the incorrect answers. Multiple the number of incorrect answers by 4 to determine the number of penalty points for Part II.

Number of Incorrect Answers		Total Penalty Points Part II
	X 4 =	

Zero Turn Compact Tractor Parts Identification List

Air Cleaner	Grease Fitting
Battery	Hourmeter
Belt Cover	Ignition Key Switch
Bypass Valves	Motion Control Lever
Caster Spindles	Mower Deck Lift Lever or Mower Deck Lift Pedal
