Dear FFA Advisors:

On behalf of the Alabama FFA Association, we would like to extend our sincere appreciation to you for your extra effort in helping the Association increase membership for the 1994-95 school year.

Due to your efforts, we have had an increase of more than 650 members over last year's membership. This could not have been possible without your dedication and commitment to your local chapter.

We wish you continued success as you lead the charge towards the Leadership Advantage.

Sincerely,

Jason Stone
