After selecting the topic they desire to speak on, all three topics will be returned for the next drawing.
4. Reference material will be screened by the officials in charge of the event on the following basis:
 - A. Shall be limited to five items.
 - B. Must be printed material such as books or magazines and/or a compilation of collected materials. To be counted as one item, a notebook or folder of collected materials may contain no more than 100 pages, single side (cannot be notes or speeches prepared by the participant or notes prepared by another person for the purpose of use for this event.)
5. Each speech shall be the result of the participant's own effort using approved reference material, which the participant may bring to the preparation room. No other assistance may be provided.
6. Participants must use the uniform note cards provided. Any notes for speaking must be made during the 30-minute preparation period.
7. A list of all possible topics will be given to and reviewed by the judges prior to the beginning of the event.

TIME LIMIT

Each speech shall be not less than four nor more than six minutes in length with five minutes additional time allowed for related questions, which shall be asked by the judges. Participants will be penalized one point per second on each judge's score sheet for being over six minutes or under four minutes. Time commences when the speaker begins talking. Speakers may use a watch to keep a record of their time. No time warnings will be given by event officials.

EVENT PROCEDURES

1. The event chairman shall introduce each participant by name. A participant will be permitted to use notes while speaking, but deductions in scoring may be made for this practice if it detracts from the effectiveness of the presentation.
2. A timekeeper(s) will record the time by each participant in delivering his or her speech, noting undertime or overtime, if any, for which deductions will be made.
3. Three competent and impartial persons will be selected to judge the event. At least one judge should have an agricultural background.
4. At the time of the event, the judges will be seated in different sections of the room in which the event is held. They will score each participant on the delivery of the production, using the score sheet provided.
5. Each judge shall formulate and ask questions. Questions shall pertain directly to the speaker's subject. Questions containing two or more parts should be avoided. Judges will score each participant on the ability to answer all questions asked by all judges. The full five minutes should be used.
6. **Speakers will not hear each other's speech. Only members or representatives (parents and/or advisor) of the speaker's chapter will be allowed to observe. Contest officials reserve the right to ask anyone whom is a distraction to the speaker to leave.**
7. Speakers will be in a place separate from the room where the event is being held.
8. Chapter representative may only video speaker from his/her chapter.
9. Time begins when time keeper announces, "Time begins..." (Participant must wait for time keeper's announcement before beginning speech.)
