

Alabama FFA State Convention Downtown Bus Parking

All busses attending the Alabama FFA State Convention will be required to use the parking lot across the street from the Crampton Bowl beginning in 2022. There will be a shuttle service running to transport drivers to and from the convention. Students should be dropped off at the Renaissance prior to parking the bus. A schedule for the shuttle will be provided closer to the convention. The parking lot is located at the corner of Jefferson Street and Madison Avenue. It will be very important that no personal items are left on busses and that they are locked. We will request extra security in the lot, but cannot guarantee it.
