

Alabama FFA State Convention Downtown Bus Parking

We will have multiple bus parking areas this year. The metered parking surrounding the three sides of Montgomery Performing Arts Centre will be available for bus parking. All cars should utilize the parking decks or other metered parking. Additional bus parking will be available utilizing the parking lot across the street from the Crampton Bowl. We will NOT be running a shuttle service, but will have a driver on call if needed for drivers. Students should be dropped off at the Renaissance prior to parking the bus. The parking lot is located at the corner of Jefferson Street and Madison Avenue. It will be very important that no personal items are left on busses and that they are locked. We will request extra security in the lot, but cannot guarantee it.
