

ALABAMA FFA ASSOCIATION
STATE OF ALABAMA
DEPARTMENT OF EDUCATION

Dear Alabama FFA Advisors and Members,

Congratulations on your achievements in your district FFA competitions and for qualifying to compete in the Alabama FFA CDE/LDE Finals on June 9, 2026, at various Auburn/Opelika host sites.

Applying the knowledge and skills gained in the agricultural education classroom through competition is both exciting and rewarding. These experiences help develop leadership, encourage personal growth, and strengthen career readiness skills.

I encourage each advisor and competitor to become familiar with the state scoring rubrics and contest rules to ensure the best opportunity for success.

I wish you the very best in your competitions and safe travels to and from the events. As you compete, please remember the high ideals of FFA members as reflected in the FFA Creed: honesty, respect, hard work, playing fair with others, and leadership.

Sincerely,

Jay Borden
Alabama FFA Advisor
